School Profile 2018-2019

The Community

Clear Creek School District serves the educational needs of Evergreen, Idaho Springs, Georgetown, and Empire, Colorado. Currently, the district consists of one high school, one middle school, and three elementary schools. The district is committed to inspiring, challenging, and empowering every student to achieve the highest levels of success in education and in life. The student body is 80% white, 14% Hispanic, and 6% other.

The School

Clear Creek High School is a comprehensive four-year public high school enrolling 230 students grades 9-12. It is located in a peaceful mountain setting in the Colorado foothills. The high school is named after the creek that is famous for the beginning of the Colorado Gold Rush in 1859. The school mascot, Golddigger Gus, pays homage to the history of the creek and county. The school sits on a 33 acre campus and boasts a beautiful library with a cozy stone fireplace, a gorgeous auditorium theater, state-of-the-art athletic facilities, spacious music and art rooms, computer labs, and a large greenhouse. **We are proud to have an attendance rate of 90.4% and graduation rate of 86.2%. Of our faculty, 68% hold advanced degrees with 13% of those being doctorates. CCHS has a 1:18 teacher to student ratio.**

CCHS is accredited by the North Central Association of Colleges and Secondary Schools and is a member of the College Board.

CEEB code: 060785

Curriculum

CCHS offers a challenging curriculum that includes Honors level and Advanced Placement (AP) courses. The Honors diploma requires that students have at least a 3.25 cumulative GPA within the rigorous Honors course schedule. The CCHS academic program is organized on semester and modified block schedules.

AP Courses are offered in: *Biology, Calculus AB, Government, Studio Art, United States History, World History, English Language, English Literature, and Environmental Science*

Honors Courses are offered in: *World Literature I & II, Economics, Algebra II, Earth Science, Geometry, Chemistry, Physics, and Biology*

CCHS requires 26 academic credits in order to graduate. In order to encourage engagement with the community and increase experiential knowledge in our graduates, students are also required to complete 40 hours of community service prior to graduating.

General Graduation Requirements (26 credits):

English 4	PE/Health 1.5
Math 3	Arts 1
Science 3	Electives 8
Social Sciences 3.5	Foreign Language 2

Grading System:

Traditional- unweighted	A = 4.0
Honors- additional .5 weight	A = 4.5
AP- additional 1.0 weight	A = 5.0

Grading Scale:

A - Excellent	90-100
B - Above Average	80-89
C - Average	70-79
D - Below Average	65-69
F - Failing	0-64

Student Achievement

Class of 2018 statistics: Of those who reported their plans, 60% went to four-year colleges/universities, 17% went to two-year colleges, and 23% selected work, military service, or travel experience. Our students consistently perform above the state average on standardized tests. Colorado is an SAT state since 2016-17. The Class of 2018 had a school average score of 1065 with the Colorado average score being 1014.

CCHS Points of Pride

- In 2018, **40% of CCHS graduates received an Honors Diploma**
- The class of 2018 was offered over **\$2,000,000 in scholarships** and served over **3,500 hours of community service**
- CCHS offers **concurrent enrollment** in state institutions of higher education
- **Foreign Exchange Program** through CIEE, ASSE, YFU, and AYUSA
- **Therapy Dog Program** for students to enhance social-emotional well-being and promote achievement
- **Academic All State** highest GPA in the state for their sports classification was achieved by: Boys Skiing, Girls Skiing, Poms, Football and Boys Basketball
- Clear Creek Booster Club sponsors **the award-winning Georgetown to Idaho Springs Half Marathon**. The funds raised directly benefit CCHS students. Over \$72,000 was raised for the schools
- **No-Cut sports policy** that offers ALL students the opportunity to participate in sports

21st Century Learning at CCHS

CCHS is proud to be a part of the One to One Initiative in Colorado where every student is provided with a Chromebook. Chromebook use provides seamless technology integration throughout the HS curricula creating a dynamic and engaging learning experience. The use of a Chromebook, partnered with our Google Classrooms integration, **ensures that students develop technology skills that are essential for college and career-readiness while feeling empowered to navigate their own learning to reach their full potential.**
